

A black and white photograph of an archaeological excavation site. The ground is uneven, with several large, light-colored rocks scattered across the surface. A horizontal scale bar with alternating black and white segments is positioned in the center of the frame. Below the scale bar, a small white rectangular label with black text is visible. The label contains the following information: 'CPG- 90', 'SECTOR 34', 'H. 1-7', and 'E. 1 N. 40'. The background shows more rocks and a textured, possibly sandy or silty, ground surface.
